IMPORTANT SAFETY NOTICE

Last year (2014) was a terrible year for farm accidents and deaths. Everyone in the industry must make bigger efforts in 2015 to minimise the risk of accidents for farmers and their families. In Cork Marts, we must also make a special effort to ensure the safety of our visitors, customers and staff at our marts. While a day out at the mart can be an enjoyable and social occasion for many people, particularly children, it is also a high risk environment with animals moving up and down passageways. We want to minimise the number of people in livestock areas and we do not want any children in passageways AT ANY TIME, even under adult supervision! So, please co-operate with management and staff if and when you are asked to move to a safe location. **Let's make 2015 a safe year for farmers and their families!**
