

# CORK MARTS

Dear Customer,

Just a brief note to explain how our mart business is operating in the current environment. All our staff are working very hard to ensure some kind of a continuation of a mart service. There are a lot of ad's below about sales, but, we are really only planning about two days ahead all the time. To date, we have full support from the Department of Agriculture in our efforts to stay open BUT they insist on very strict protocols in line with the national effort and guidelines on social contact. Therefore, in our continuing efforts to provide a mart service, the following is our current protocol. However, this is a moving situation, so keep up to the minute through our social media on Twitter: @CorkMarts and our Facebook page: Cork Co-Op Marts. We will try to stay open for business, but, what is more important is that all our staff, customers and their families **STAY SAFE**.

Best Wishes,

Sean O'Sullivan  
Chief Executive
