## DEVELOPMENT LAND THE MEADOWS, BALLYPOREEN

(Full Planning Permission)

CCM Property offer a development opportunity for 20 residential units with full planning permission and the planning includes four house types in a medium to low density development. The house plans range from a single story of approximately 1250 sq ft to circa 1356 sq ft two storey dwellings. The size and scale of the development should be very attractive to a large target market due to the lack of new property offerings to the market in this geographic location.

Ballyporeen is located approximately 12km to Mitchelstown and in the opposite direction Cahir is 20km away. The M8 access is approximately 8 km from the property. Services in situ in an existing development.

*For enquires and full planning details please request to this office.*
